Wood's Report To Promotion Committee

The following report was submitted by Secretary Wood this afternoon to the Promotion Committee:

In view of the good arrivals thus far this month and the number of passenger steamers due between this and the 31st, it is safe to assume that the total number of arrivals for the month will approximate seven or eight hundred, the major portion being mail-liners, some for the round trip of their steamer, others stopping over on their voyage to the Orient and the South Seas, a still greater percentage coming to remain an indefinite period, weeks or months as the climate and conditions may appeal to them.

Seattle Excursion.

King and Uilberg, managers of the North Pacific Coast excursion, write under date of November 21, in part as follows:

"Demands are coming in from all over the United States for information concerning our excursion due to the publicity we are giving to the matter through the newspapers and railway agents. We are using every endeavor to book the 'Prince George' as well as the 'Prince Rupert'."

Chicago in Line.

Mr. W. G. Neimyer, general agent of the Southern Pacific Company at Chicago, writes under date of November 22 as follows:

"I think all are interested in reaching the traveling public of the eastern states in effort to direct their tours through the Pacific coast to Hawaii. 'I have watched with some gratification the growth of the tourist travel to Hawaii, and believe it would be accelerated very much by just such an attraction."

"In these prosperous times there is a large and growing class who desire to evade the rigors of the winter climate in the east, and whose means will permit them to indulge in this tour. I might advise that the Chamber of Commerce, the boosters' club of Chicago, have a project in hand now to plan a tour to Honolulu of about 150 members, provided they can secure by charter the exclusive use of an ocean going steamer of not less than 5,000 tons, to make the round trip from San Francisco, of three

weeks' duration, in January next. I am now negotiating with Charles S. Fee, P. T. M., Southern Pacific Co., and Mr. A. G. D. Kerrell, G. P. A. Pacific Mail S. S. Co., San Francisco, for that result, which I sincerely trust will reach a successful issue."

H. W. Dunning & Company of Boston send a copy of an attractive folder they are circulating in large numbers entitled, "A Spring Cruise to Hawaii," in which they advertise their excursion by the Sierra sailing from San Francisco, March 18th, 1911.

Pan-Pacific Travel Congress.

By the steamship Moana yesterday, we received letters from the Tourist Bureaus of the different Australian states evincing a decided interest in the proposed congress. Favorable word regarding the plan also came from New Zealand and Fiji. We are also assured of representatives from the leading commercial bodies of the Pacific coast as well as from all of the Pacific coast terminal railroads.

The secretary of the Chicago board of trade writes under date of November 19:

"I shall take great pleasure in calling the attention of all the members of our Association to the matter and shall hope for a large attendance from Chicago."

Mr. F. O. Heald, general manager of Raymond & Whitcomb, writes from Boston:

"We believe it would be a splendid advertisement for Hawaii and trans-Pacific travel generally if you could get the general passenger agents to hold their 1914 convention in Honolulu and it will give us pleasure to do all we can to assist you in this matter."

The American schooner M. E. Chilcott arrived today from Gaviota, seventeen days out, with a cargo of oil.

A VERY DULL DAY IN STOCK MARKET

The stock market since yesterday has been almost featureless, the lull incident to the holidays having apparently come on. One item of more than ordinary interest was the sale of 20 Hawaiian Commercial at \$33, this being the highest figure realized since the depression started in some time ago. The price paid in this case was probably a trifle above the market, however, for this morning five shares more sold at \$32.875. At the close \$32.875 was bid and \$33 asked for this stock.

Also between boards 50 shares of Oahu sold at \$26.50. This morning more was offered at the same, and \$26 bid.

A side sale of interest was of \$1000 Hilo R. R. sixes at \$100.

Quotations without sales were, Pioneer, \$177.50 bid and \$185 asked; Wailua, \$92 bid and \$95 asked.

SELECT ARTISTS AS THE JUDGES

Fred. W. Macfarlane offers a suggestion to the Floral Parade committee relative to the judges of automobiles. It is that the judging of automobiles should be given to artists, and he mentions D. Howard Hitchcock of Honolulu and Mr. Wores, the visiting artist, as proper selections to be made.

"Heretofore," Mr. Macfarlane says, "ladies from abroad visiting Honolulu have been selected as judges, on the theory that they would not have any local bias, conscious or unconscious, but the verdicts have not always given general satisfaction."

"Points for consideration have been originality, beauty, comicality, etc."

COLONIAL SUGAR MAKES BIG MONEY

The report of the Colonial Sugar Refining Company, Ltd., for the six months ended September 30, showed a net profit of £126,714 earned in Australia, and £70,000 earned in Fiji and New Zealand, or £196,714 in all, of which £115,971 being added from last account, made £312,615 available. The directors proposed a dividend at the rate of 10 per cent per annum, absorbing £142,500, leaving £170,115 to be carried forward. The report says that the effect of the hurricane in Fiji last March has been manifest in the crops now being cut, which will yield less sugar than had been expected. In Queensland, however, the outturn is exceeding the estimate. The strong market for sugar that lasted for nearly four years has now been broken by the production of a very large crop of beetroot in Europe, and sharp fall in value has already taken place.

After the report was adopted at the meeting on 27th ulto, the following resolutions were agreed to:—

which is most elaborate or expensive may be far from highest in artistic merit. The matter of taste in color selection and harmony is very important, and here is where artistic judgment, based on knowledge and practice, is essential to correct awards. "I should like to offer this suggestion through The Star for consideration by the Floral Parade committee."

WILL MEET YOU AT WHARF.

It is a comfortable feeling to have someone meet you at the wharf on arrival at San Francisco. Let us know when you are going and we will arrange it for you. And at the Hotel Stewart you will meet other Honolulu people—and be made to feel at home at once. Trent Trust Co., Ltd.
